

Candidate Statement – Board of Library Trustees

It has been my pleasure to serve several terms on the Board of Library Trustees, once as an appointed member, and a few times as an elected member. During those terms I have tried to serve the Library and the community as an advocate for, and defender of the library. I was on the first public board when I first heard that we were eligible for a grant for a new and improved facility and I have been involved in the process ever since. I am hoping to see the project through to the end! If I am not re-elected then I shall continue to volunteer at the library in any manner that the Director sees fit.
